Thanks so much. I just forwarded to our EJ people too so hopefully they can make it as well as yours. Nina or I will keep you in the loop as things progress.

Dear Julie,

Thank you so much for organizing a call. I'm sorry I haven't gotten back to you earlier. John asked me to coordinate with Jackie Lane (Community Involvement Coordinator) and David Yogi (her supervisor), and they have uncertainties about potential conflicts. It looks as if either June 8 at 9 am – 10:30 am or June 10 at 1 – 2:30 pm would work for most of us, but June 10 may be slightly better.

Thank you again!

Hi Lily,

Have you had a chance to check on Angeles' schedule? See the last line below for possible timing. I need to make sure that DTSC EJ people can attend as well. If it is possible to reply today, I'd greatly appreciate it as I'll be out tomorrow (5/27).

Thanks

Julie, thanks for the email. Yes, we would welcome a call with you all, and we'll have Angeles Herrera, my boss, join in as well. My schedule looks good for those times but Lily will check on Angeles' schedule and get back to you.

Hi Lily and John,

Nina, Roger Kintz and Ana Mascarenas and I met briefly by phone on Friday to discuss the Hunters Point Naval Shipyard project, including the last EJ task force meeting (Lily, thanks so much for the draft meeting notes, very helpful), past conversations/communication our staff has had with yours about 'next steps,' particularly as it relates to the Tetra Tech issue, UCSC's presentation, etc.

Roger recommended that we set up a joint DTSC-EPA call the week of 6/6 where Nina and I would work with you to come up with a mutually agreeable agenda.

If that is agreeable to you, please provide some dates/times for the week of 6/6 that you could be available for a telephone conference call. I'm thinking at least 1 hour in duration, but perhaps a bit longer depending on the extent of the agenda (1.5 hours?).

If you would like to invite John's supervisor to also attend, please feel free to do so. I would need to then give Janet Naito (my supervisor) the opportunity to attend as well.

I'm 'ghost writing' this for Nina who would typically reach out to you both. Nina is out this week on vacation and I didn't want to wait until she returned to get on your calendars – she was afraid your schedules would be filled by then.

Once received, I'll share your availability with Roger and Ana to figure out the best time

when we can all meet & one of us will get back to you with the invite & call details.

At this point, our staff would likely be available at 8:30 or 9 am on 6/8 or the lunch hour on the same day (not ideal). Otherwise, 6/10 1 pm or 1:30 pm. Do these work? Do you have other suggestions? (I know that Janet and I are busy all day on 6/6).

Please advise. Thanks!
